

Phonetically Balanced Sentences

Section II: Standard Speech Assessment Sentences

Clinical Objective

These sentences are phonetically balanced and contain key phoneme combinations frequently associated with speech dysfluencies (such as prolongations on sibilants, blocks on plosives, and word repetitions).

Reading Sentences

1. The birch canoe slid on the smooth planks.
2. Glue the sheet to the dark blue background.
3. It's easy to tell the depth of a well.
